## Description

This exceptional detached villa is set on a private plot, just a short stroll from Mojacar's golden beachfront. Located in one of the most sought after areas along the coastline, the property is only 300 meters from local bars, restaurants, and the vibrant promenade, offering the perfect blend of privacy, luxury, and convenience.

Set within its own walled and gated grounds, the villa boasts beautifully landscaped gardens with mature mango trees, established palms, and a variety of plants. Multiple terraces provide ample space to relax and entertain, while a modern swimming pool with sunbathing terrace offers the ideal spot to soak up the Andalusian sun. A lower tier of the garden provides endless possibilities and is perfect for landscaping, creating an allotment, or adding additional seating areas.

The main villa is accessed via an elevated covered porch, leading into a bright and inviting living and dining area. The home has been fully renovated while retaining many original features, staying true to the authentic Mojacar style. Micro cement flooring helps keep the interior cool in warm weather, while whitewashed walls and high ceilings create a spacious and airy atmosphere, showcasing the very best in interior design.

From the lounge, glass sliding doors open to an internal courtyard featuring a built-in barbecue, a large seating area, and stairs leading to an incredible sun terrace with 360-degree views.

The fully equipped kitchen is functional and stylish, complete with a separate pantry and direct access to the full size garage.

Along the hallway, you'll find the first guest bedroom, a family bathroom, and the primary bedroom with an en suite shower. Both bedrooms feature fitted wardrobes, and additional storage has been built along the hallway.

Adding to the property's appeal is an independent apartment with external access from both sides of the villa. This self-contained unit includes a bedroom, bathroom, lounge, and fitted kitchen, providing the perfect space for guests, extended family, or rental potential.

This remarkable property combines a prime location, beautifully landscaped gardens, luxurious interiors, and a versatile layout, making it a rare and truly exceptional home in Mojacar.

The property also has a rental licence meaning a large income can be earned for investment.
